Introducing the ProKick Schools Challenge!

The ProKick Schools Challenge is an exciting opportunity for your child to have a memorable experience with an ex pro! This event is hosted by one of our former professional football players throughout primary schools across the country. Using one of the largest inflatable football goals and a speed radar, we can measure how fast your child can make the ball travel!

We provide Sporting Wishes for children facing life-limiting illnesses

What is the ProKick Schools Challenge?

This is a unique, inclusive and fun event that is enjoyed by the whole school. ProKick benefits both your child's school and our children's charity, **Sports Connections Foundation**. It is one of the most successful fundraising events hosted in primary schools that not only encourages children but also helps improve their self-esteem and teaches them about global citizenship. As a charity we provide Sporting Wishes for children facing life-limiting illnesses and run many projects in the UK and Africa, helping disadvantaged children using the power of sport.

Educating children about global citizenship.

Simply return this form to receive:

- **An extra go on the day**
- **An exclusive wristband** This is for every sponsor form we receive at our head office from the school

Through your ProKick Schools Challenge, you'll be joining 500,000 children who have taken part in one of the most successful fundraisers available to Primary Schools nationwide!
